CORRECTION **Open Access**

Correction: Psychometric properties and factor structure of the Early Development Instrument in a sample of Jordanian children

Emad G. Ababneh^{1,2,3}, Eric K. Duku^{4*}, Caroline Reid-Westoby⁴, Ashley Gaskin⁴ and Magdalena Janus⁴

BMC Psychology (2022) 10:316 https://doi.org/10.1186/s40359-022-01014-0

Following publication of the original article, it came to the authors' attention that there were two typos in the syntax used for data analysis. After correcting the typos and redoing the analysis, they discovered that a number of corrections needed to be made to the article body and the additional file of the article. For details of these corrections, please see the two additional files 1 and 2 linked to this erratum.

The published article has been updated with these corrections. The authors thank you for reading this erratum and apologize for any inconvenience caused.
