Following publication of the article, it came to the authors' attention that the wrong number had been provided in the 'Ethics approval and consent to participate' declaration. In place of 'No:70904504/479', the correct number, 'No:70904504/721' had been provided. The number has since been corrected in the published article. The authors thank you for reading this erratum and apologize for any inconvenience caused.
